Most Memorable moment in the Institute: Whole college life is memorable but in that - Mr. Nimbalkar sir who were rejected my project & Report because of Idleness that time I was too angry. But that incident changed the seriousness towards the our duties and Responsibility should be complete on time. That lesson never I can forget which taught a valuable lesson.

Suggestion for improvements: Thanks Nimbalkar sir !!

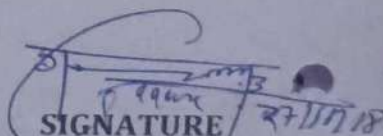

Departments ① placement → there are so many vacancies & references. The Institute should take follow up from Alumni, or create one group, which include all alumni's who can post a vacancy or reference with personal interference.

② finance - As per current scenario there are so many vacancies in pure-corporate i.e. customer service for retail customers or corporate client, i.e. after sale-service. Institute or service Base Industries which will lead future job requirement.

Institute - The major change what we expected that I have seen today definitely its too much good thing which will improve the ratings for Institute.

Thank you AITABA!!
