

Weaknesses:

1] Address Soft Skills Deficiency:

Strategy: Implementing a comprehensive soft skills development program.

Action: offer workshops on communication, leadership, and interpersonal skills.

Support Economically Disadvantaged Students:

2] Strategy: Establish a scholarship and financial aid program.

Action: Creating a dedicated Student Support and Scholarship Office to assist students with financial needs.

Enhance Consultancy Services:

3] Strategy: Strengthen the institution's consultancy services.

Action: Developing a consultancy services center, hire industry-experienced professionals, and actively market services to local businesses.

Opportunities:

1] Expanding Networking and Partnerships:

Strategy: Collaborating with reputed institutions and industry.

Action: Developing Memorandums of Understanding (MoUs) with other educational institutions and businesses to expand networking opportunities.

Introduce New Programs and Specializations:

2] Strategy: Introducing new and in-demand academic programs.

Action: Conducting market research to identify emerging areas of study and offer courses in those fields.

Leverage Alumni for Institutional Development:

3] Strategy: Harnessing the strong alumni network for support.

Action: Engaging alumni in fundraising campaigns, mentorship programs, and guest lectures.

To finalize the minutes of previous meeting. The last meeting of college development committee was held on Monday, 24/05/2021. Director has briefed to the house minutes of previous meeting.

Resolution -1

The minutes of previous meeting was read by Director and all members were confirmed the same.

Subject NO-2

To discuss about syllabus review.

The Director has explained the importance of syllabus review. The syllabus review meeting is conducted every semester to take the review of syllabus completed and to take appropriate steps to complete the syllabus within the stipulated time frame directed by the University.

Resolution NO-2:

It is resolved that Director is empowered to take decision about syllabus completion within stipulated time frame.

Subject NO-3:

To discuss about training activities of students.

The Director explained the purpose & importance of training programs & activities for the development of students to make them industry ready and to improve their employability.

Resolution NO-3:

The house has permitted the Director for arranging various training programs for students. These training programs conducted by the various experts from industry as well as Entrepreneurship development professionals as these programs will enhance employability of students and the same will be reflected in their final placements. Good percentage of placement will also help the Institute in NAAC / NBA accreditation.

Subject NO-4:

Planning for Industrial Visit.

The Director has explained the importance of Industrial visit to the house. The Industrial visits helps students to understand the practical aspects of Industry. The Industrial visit also helps students to understand the real-time process & problems in the industry.

Resolution No -4:

The committee members have given their permission to conduct Industrial visit in the companies for giving knowledge of practical aspects to the students. This will also help to increase Industry - Institute interaction and companies will also give preference to the students of Amravathi for SIP's as well as final placements.

Subject NO - 5:

to discuss about SIP's of students.

The Director has briefed the importance of Summer Internship Projects to the board. The students must have to go for the SIP's after the completion of their first academic year. The time duration of SIP is two months and it's compulsory for every first year students. The SIP will help students to understand the Industries & their working style so that they can make themselves fit for the same.

Resolution NO-5:

The members of the board has empowered the Director to take every necessary step to get good SIP for students. The Institute can make MOU's with good companies & also increase the Institute - Industry interaction to make the Friendly relation with good companies which will help students to get good SIP projects which will help them in their final placements.
