

Report on the Employability Enhancement Training Program

Resource Person: Vahida Pathan,
Founder and Corporate Trainer,
Neo Care Services, Pune

Date: 23/11/2023

Target Audience: MBA Students and Faculty

Venue: AIMBA Seminar Hall

Ms. Pathan's "Employability Enhancement Development Program" was an electrifying journey of self-discovery and career optimization. From dawn to dusk, MBA students and faculty alike buzzed with excitement as they unlocked their potential and charted their paths to professional success.

Morning Session

Ms. Pathan kicked off the day by painting a vivid picture of the current job market, highlighting its trends, booming industries, and sought-after skills. Students then embarked on a journey of self-reflection, identifying their strengths, weaknesses, and aspirations. Armed with this newfound awareness, they crafted compelling personal brands and captivating elevator pitches, ready to shine in any professional setting.

Technical Tooling Up: Technical prowess is key, and Ms. Pathan ensured students were equipped with the tools of the trade. Whether it was data analysis, financial modeling, project management, or communication technologies, interactive sessions provided hands-on practice with essential tools, transforming students into tech-savvy professionals.

Soft Skills Sharpening: Ms. Pathan emphasized the power of soft skills, guiding students through interactive exercises to hone their teamwork, leadership, problem-solving, and conflict resolution abilities. They learned to connect, collaborate, and navigate challenges with ease, becoming well-rounded individuals ready to excel in any team environment.

Resume & Cover Letter Craft: From blank page to attention-grabbing masterpiece, Ms. Pathan guided students through the art of crafting impactful resumes and cover letters tailored to specific jobs. With practical tips and personalized feedback, students left equipped to showcase their skills and land dream interviews.

Afternoon Ascension:

The afternoon session saw students soar to new heights as Ms. Pathan focused on practical career strategies. Mock interviews simulated real-world scenarios, providing valuable feedback on body language, communication style, and effective answering techniques. Students learned to network
