Response:

Savitribai Phule Pune University has provided program outcomes (POs) and course outcomes (COs) based curricula for the Master of Business Administration (MBA) program. The individual faculty reviews the learning objectives and specific vital topics, clearly stated in the course outcomes (COs). Programme Outcomes and Course outcomes are communicated to students through the website and are also discussed by faculty during the teaching- learning process. The curriculum drives the MBA to the next level, incorporating Outcome-Based Education, which focuses on performance. As per the guideline from University, there must be a performer – the student (learner); something that can be performed, and the emphasis on the performance rather than the activity or task to be completed.

The assessment or evaluation process is based on the desired outcome of the course. The student's assessment is carried out through Comprehensive Concurrent Evaluation and University examination.

Attainment of POs and COs is evaluated.

We follow the guidelines of Savitribai Phule Pune University for internal evaluations. Therefore, the assessment of students is 50% University evaluation and 50% internal evaluation.

The scheme of Comprehensive Concurrent Evaluation is explicitly stated, and the linkages established of each CCE with the Course Outcomes and defined the targeted attainment levels for each CO. At the end of the term, aggregate CCE scores are calculated, and the course teacher calculates the CO and PO attainment levels.

Course attainment plan direct attainment

We are measuring course outcomes (COs) attained through University examinations and internal assessments through CCE like written home assignments, presentations, Quiz, Roleplay, Viva, Situation Analysis and class tests,.

Course attainment plan-indirect attainment

For indirect assessment, we collect feedback about course outcomes and program outcomes from students through exit surveys.
